##### **REPORT**

- We have received our small games of chance license. Annie will take over the responsibility to distribute the tickets and maintain records as to who holds specific ticket numbers. The goal is to have tickets ready to sell this month for our first calendar in February.
- Italian Dinner- Mary and Annie both spoke to Andretta about a date in February. Andretta said that the only place in the area that could accommodate her is St. Victor's. Father Jim told her to contact them about a date. Andretta is concerned about help and donations. Annie will get together with her to publish something in the bulletin requesting donations and help from parishioners.
- The previously discussed monthly basket raffle idea has been dropped.
- The outdoor Nativity arrived and will be displayed in a few days.
- Howard Hanna is the agent for the property on Poma St. Asking price is \$139,000.
- Glenn created a "What's happening at Transfiguration" news release for the Town Flyer. You can check it out in the December edition. Also, the front page was dedicated to our Veterans' Mass.
- In an effort to attract more parishioners, all married couples will receive an invitation to February's World Marriage Mass.
- The Catholicism presentations have been well received. They will continue until the fourth Sunday of Advent and resume during Lent.

***Our next meeting is Monday, February 3, 2014***
